QUOTE(S) OF THE DAY

"We are women and nurturers, we have our children, and our husbands, if we are lucky enough, our partners, whoever. But we have to find personal fulfillment. We have to follow our dreams. And we have to say I have to do that. And I should be allowed to do that." – Glenn Close at the 2019 Golden Globes

"The dogmas of the quiet past are inadequate to the stormy present. The occasion is piled high with difficulty, and we must rise with the occasion. As our case is new, so we must think anew and act anew." – Abraham Lincoln

"The whole country is full of enterprise. Our common schools are diffusing intelligence among the people and our industry is fast accumulating the comforts and luxuries of life. ... It is not strange, however much it may be regretted, that such an exuberance of enterprise should cause some individuals to mistake change for progress and the invasion of the rights of others for national prowess and glory." – Millard Fillmore

"The opportunity is often lost by deliberating." – Publilius Syrus

"Everybody gets so much information all day long that they lose their common sense." – Gertrude Stein

"Life is like an onion. You peel it off one layer at a time, and sometimes you weep." – Carl Sandburg

"Television is chewing gum for the eyes." – Frank Lloyd Wright
