The board development workshop scheduled for this evening in Menomonie has been postponed due to the extreme cold. A new date will be selected soon. Stay home and stay warm!

QUOTE(S) OF THE DAY

"I found that dance, music, and literature is how I made sense of the world... it pushed me to think of things bigger than life's daily routines... to think beyond what is immediate or convenient." – Mikhail Baryshnikov

"A work of art is above all an adventure of the mind." – Eugene Ionesco

"I decided that if I could paint that flower in a huge scale, you could not ignore its beauty." – Georgia O'Keeffe

"The modern artist... is working and expressing an inner world - in other words - expressing the energy, the motion, and other inner forces." – Jackson Pollock

"No amount of energy will take the place of thought. A strenuous life with its eyes shut is a kind of wild insanity." – Henry Van Dyke

"The secret of my influence has always been that it remained secret." – Salvador Dali
