QUOTE(S) OF THE DAY

"Art consists of limitation. The most beautiful part of every picture is the frame." – Gilbert K. Chesterton

"An empty canvas is a living wonder... far lovelier than certain pictures." – Wassily Kandinsky

"The most common way people give up their power is by thinking they don't have any." – Alice Walker

"Don't give up. There are too many nay-sayers out there who will try to discourage you. Don't listen to them. The only one who can make you give up is yourself." – Sidney Sheldon

"Many of life's failures are people who did not realize how close they were to success when they gave up." – Thomas Edison

"Life lived for tomorrow will always be just a day away from being realized." – Leo Buscaglia

"Even if we accept, as the basic tenet of true democracy, that one moron is equal to one genius, is it necessary to go a further step and hold that two morons are better than one genius?" – Leó Szilárd
