### **QUOTE OF THE DAY**

"Great dancers are not great because of their technique, they are great because of their passion." – Martha Graham

"To put everything in balance is good, to put everything in harmony is better." – Victor Hugo

"The eternal quest of the individual human being is to shatter his loneliness." – Norman Cousins

"The true division of humanity is between those who live in light and those who live in darkness. Our aim must be to diminish the number of the latter and increase the number of the former. That is why we demand education and knowledge." – Victor Hugo

"The culture as a whole is losing its individual notes, its diversity. And this is... it's not only sad. It's devastating. It's devastating because routine language means routine thought. And it means unquestioning thought." – John Leonard

"Education is the vaccine for violence." – Edward James Olmos

"Every intelligent child is an amateur anthropologist. The first thing such a child notices is that adults don't make sense." – John Leonard

“Is a hippopotamus a hippopotamus, or just a really cool Opotamus?” – Mitch Hedberg
