### **QUOTE OF THE DAY**

"It is a mistake to regard age as a downhill grade toward dissolution. The reverse is true. As one grows older, one climbs with surprising strides." – George Sand

"Dignity consists not in possessing honors, but in the consciousness that we deserve them." – Aristotle

"Don't be too timid and squeamish about your actions. All life is an experiment. The more experiments you make the better." – Ralph Waldo Emerson

"An education isn't how much you have committed to memory, or even how much you know. It's being able to differentiate between what you do know and what you don't." – Anatole France

"One must preach life, not death; spread hope, not fear and cultivate joy, man's most valuable treasure. That is the secret of the greatest of the wise, and it will be the light of tomorrow." – Émile Chartier

"I've got to keep breathing. It'll be my worst business mistake if I don't." – Steve Martin
