QUOTE OF THE DAY

"Technology adds nothing to art. Two thousand years ago, I could tell you a story, and at any point during the story I could stop, and ask, Now do you want the hero to be kidnapped, or not? But that would, of course, have ruined the story. Part of the experience of being entertained is sitting back and plugging into someone else's vision." – Penn Jillette

"An adventure is only an inconvenience rightly considered. An inconvenience is only an adventure wrongly considered." – G. K. Chesterton

"The problem is not that there are problems. The problem is expecting otherwise and thinking that having problems is a problem." – Theodore Rubin

"You only live once, but if you do it right, once is enough." – Mae West

“When Solomon said there was a time and a place for everything he had not encountered the problem of parking his automobile.” – Bob Edwards
