### QUOTE OF THE DAY

"We are striving to forge our union with purpose. To compose a country committed to all cultures, colors, characters, and conditions of man." – Amanda Gorman

"Everything that depends on the action of nature is by nature as good as it can be, and similarly everything that depends on art or any rational cause, and especially if it depends on the best of all causes. To entrust to chance what is greatest and most noble would be a very defective arrangement." – Aristotle

"Glory is fleeting, but obscurity is forever." – Napoleon

"Be not afraid of greatness: some are born great, some achieve greatness, and some have greatness thrust upon them." – William Shakespeare

"I don't try to describe the future. I try to prevent it." – Ray Bradbury

"When Solomon said there was a time and a place for everything he had not encountered the problem of parking his automobile." – Bob Edwards
