### **QUOTE OF THE DAY**

"Whether women are better than men I cannot say - but I can say they are certainly no worse." – Golda Meir

"An artist's only concern is to shoot for some kind of perfection, and on his own terms, not anyone else's." – J. D. Salinger

"Music was my refuge. I could crawl into the space between the notes and curl my back to loneliness." – Maya Angelou

"We should be eternally vigilant against attempts to check the expression of opinions that we loathe." – Oliver Wendell Holmes, Jr.

"You cannot avoid making judgements but you can become more conscious of the way in which you make them. This is critically important because once we judge someone or something we tend to stop thinking about them or it. Which means, among other things, that we behave in response to our judgements rather than to that to which is being judged. People and things are processes. Judgements convert them into fixed states. This is one reason that judgements are often self-fulfilling." – Neil Postman

“I write to discover what I think. After all, the bars aren't open that early.” – Daniel J. Boorstin
