*The Wisconsin Arts News will be off next week as we participate in the 2024 Wisconsin Governor's Conference on Tourism "The Art of Tourism," at which the Arts Board will welcome NEA Chair Maria Rosario Jackson and hold its quarterly meeting.*

## **QUOTE OF THE DAY**

"An artist's only concern is to shoot for some kind of perfection, and on his own terms, not anyone else's." – J. D. Salinger

"There's no diploma in the world that declares you as an artist—it's not like becoming a doctor. You can declare yourself an artist and then figure out how to be an artist." – Kara Walker

"We should be eternally vigilant against attempts to check the expression of opinions that we loathe." – Oliver Wendell Holmes, Jr

"In a world populated by people who believe that through more and more information, paradise is attainable, the computer scientist is king. But I maintain that all of this is a monumental and dangerous waste of human talent and energy. Imagine what might be accomplished if this talent and energy were turned to philosophy, to theology, to the arts, to

imaginative literature or to education? Who knows what we could learn from such people — perhaps why there are wars, and hunger, and homelessness and mental illness and anger.”  
– Neil Postman

“As a rule, indeed, grown-up people are fairly correct on matters of fact; it is in the higher gift of imagination that they are so sadly to seek.” – Kenneth Grahame

“I write to discover what I think. After all, the bars aren't open that early.” – Daniel J. Boorstin
