QUOTE(S) OF THE DAY

"Wisconsin Nice' is going to have a different look to it in the future." – [Governor Tony Evers](#)

"One must let the play happen to one; one must let the mind loose to respond as it will, to receive impressions, to sense rather than know, to gather rather than immediately understand." – Edward Albee

"To curb the machine and limit art to handicraft is a denial of opportunity." – Lewis Mumford

"I think the job of writing and literature is to encourage each one of us to believe that we're living in a story." – Naomi Shihab Nye

"The relationship between reader and writer is reciprocal in a way. We co-create each other. We are constantly emerging out of the relationship we have with others." – Ruth Ozeki

"People are strange, but more than that, they're good. They're good first, then strange." – Dave Eggers

"All human beings are also dream beings. Dreaming ties all mankind together." – Jack Kerouac

"I slept fourteen feet from a polka tavern as a kid growing up. I heard polkas all night long, people singing and drinking beers and having a great time. I know more polkas than Frankie Yankovic!" – Al Jarreau
