QUOTE(S) OF THE DAY

“The greatest friend of Truth is time, her greatest enemy is Prejudice, and her constant companion Humility.” – Charles Caleb Colton

“Believe those who are seeking the truth; doubt those who find it.” – André Gide

“Good writers define reality; bad ones merely restate it. A good writer turns fact into truth; a bad writer will, more often than not, accomplish the opposite.” – Edward Albee

“To be yourself in a world that is doing its best, day and night to make you like everybody else --- is to fight the hardest battle any human being can fight; and never stop fighting.” – E.E. Cummings

“It took me quite a long time to develop a voice, and now that I have it, I am not going to be silent.” – Madeleine Albright

“We do not need magic to change the world, we carry all the power we need inside ourselves already: we have the power to imagine better.” – J.K. Rowling
