QUOTE(S) OF THE DAY

"Life beats down and crushes the soul and art reminds you that you have one." – Stella Adler

"No heirloom of humankind captures the past as do art and language." – Theodore Bikel

"Imagine what a harmonious world it could be if every single person, both young and old shared a little of what he is good at doing." – Quincy Jones

"Try to have a good day today, wherever you are, whatever you do, whoever is near, if no one is near. Try to be happy, because you may not see tomorrow. There is someone this morning, who didn't wake up, who will never see this day. Try to feel lucky that this is not you." – Margaret Cho

"A popular Government without popular information, or the means of acquiring it, is but a Prologue to a Farce or a Tragedy, or perhaps both. Knowledge will forever govern ignorance: And a people who mean to be their own Governors, must arm themselves with the power which knowledge gives." – James Madison

"Odious ideas are not entitled to hide from criticism behind the human shield of their believers' feelings." – Richard Stallman

"Strive for perfection in everything we do. Take the best that exists and make it better. When it does not exist, design it. Accept nothing nearly right or good enough." – Henry Royce

"Be like a duck. Calm on the surface, but always paddling like the dickens underneath." – Michael Caine

“I looked up my family tree and found three dogs using it.” – Rodney Dangerfield
