QUOTE(S) OF THE DAY

"I will permit no man to narrow and degrade my soul by making me hate him." – Booker T. Washington

"I hate labels; the problem is that if you say you're one thing, it's hard for people to imagine you as something else. Music is way more complicated than that." – Bill Frisell

"The very essence of a free government consists in considering offices as public trusts, bestowed for the good of the country, and not for the benefit of an individual or a party." – John C. Calhoun

"A leader is one who, out of madness or goodness, volunteers to take upon himself the woe of the people. There are few men so foolish, hence the erratic quality of leadership in the world." – John Updike

"If there are kids who want to follow in my footsteps, I'd say that my shoes are too big for them to fill! But their shoe size is just perfect." – Queen Latifah

These articles are from a variety of sources and, therefore, do not necessarily reflect the views of the Arts Board.

Despite our best efforts, links may fail without warning since each news source posts and archives its articles differently. We apologize for any inconvenience.
