QUOTE(S) OF THE DAY

"Music can be all things to all persons. It is like a great dynamic sun in the center of a solar system which sends out its rays and inspiration in every direction.... Music makes us feel that the heavens open and a divine voice calls. Something in our souls responds and understands." – Leopold Stokowski

"There are no lines in nature, only areas of colour, one against another." – Edouard Manet

"Make a difference about something other than yourselves." – Toni Morrison

"The beauty is that through disappointment you can gain clarity, and with clarity comes conviction and true originality." – Conan O'Brien

"I have suffered from being misunderstood, but I would have suffered a hell of a lot more if I had been understood." – Clarence Darrow

"I like coffee because it gives me the illusion that I might be awake." – Lewis Black
