**TIP from SBA:** “As the SBA works on building the application platform, it would be in your best interest to register for a DUNS number and then register in the System for Award Management (SAM.gov). Also, gather documents that demonstrate your number of employees and monthly revenues so you can calculate the average number of qualifying employees you had over the prior 12 months. Lastly, determine the extent of gross earned revenue loss you experienced between 2019 and 2020. This and additional information such as floor plans, contract copies and other evidence will be needed to apply for an SVOG.”
