## **QUOTE OF THE DAY**

"If you don't go over the top, you can't see what's on the other side." – [Jim Steinman](#)

"Be brave enough to live life creatively. The creative place where no one else has ever been." – Alan Alda

"We live in a world ruled by fictions of every kind — mass merchandising, advertising, politics conducted as a branch of advertising, the instant translation of science and technology into popular imagery, the increasing blurring and intermingling of identities within the realm of consumer goods, the preempting of any free or original imaginative response to experience by the television screen. We live inside an enormous novel. For the writer in particular it is less and less necessary for him to invent the fictional content of his novel. The fiction is already there. The writer's task is to invent the reality." – J. G. Ballard

"If you are sure you understand everything that is going on, you are hopelessly confused." – Walter Mondale

“Is not the real experience of each individual very limited? And, if a writer dwells upon that solely or principally, is he not in danger of repeating himself, and also of becoming an egotist? Then, too, imagination is a strong, restless faculty, which claims to be heard and exercised: are we to be quite deaf to her cry, and insensate to her struggles? When she shows us bright pictures, are we never to look at them, and try to reproduce them? And when she is eloquent, and speaks rapidly and urgently in our ear, are we not to write to her dictation?” – Charlotte Brontë

“It is not only for what we do that we are held responsible, but also for what we do not do.” – Molière

**TIP from SBA:** “As the SBA works on building the application platform, it would be in your best interest to register for a DUNS number and then register in the System for Award Management (SAM.gov). Also, gather documents that demonstrate your number of employees and monthly revenues so you can calculate the average number of qualifying employees you had over the prior 12 months. Lastly, determine the extent of gross earned revenue loss you experienced between 2019 and 2020. This and additional information such as floor plans, contract copies and other evidence will be needed to apply for an SVOG.”
