QUOTE(S) OF THE DAY

"In my music, I'm trying to play the truth of what I am. The reason it's difficult is because I'm changing all the time." – Charles Mingus

"We live in a very tense society. We are pulled apart...and we all need to learn how to pull ourselves together.... I think that at least part of the answer lies in solitude." – Helen Hayes

"Beginning today, treat everyone you meet as if they were going to be dead by midnight. Extend to them all the care, kindness and understanding you can muster, and do it with no thought of any reward. Your life will never be the same again." – Og Mandino

"You can learn many things from children. How much patience you have, for instance." – Franklin P. Jones

"Adolescence is perhaps nature's way of preparing parents to welcome the empty nest." – Karen Savage and Patricia Adams

These articles are from a variety of sources and, therefore, do not necessarily reflect the views of the Arts Board.

Despite our best efforts, links may fail without warning since each news source posts and archives its articles differently. We apologize for any inconvenience.
