## QUOTE OF THE DAY

"I have always found goodness in the people I met, everywhere I went in the world. So this is for anyone who had the faith and the courage to hold on to the goodness in themselves, and to hold on to the goodness in each other, no matter how difficult it is to do that." – Chloe Zhao

"My mother taught me to refuse hate. She taught me to refuse blanket judgment. In this time and with all of the Internet and social media and algorithms and everything that wants us to think a certain way, the 24 hour news cycle, it is my hope that all of us, we teach our kids and now to remember, just refuse hate. Don't hate anybody. I refuse to hate someone because they are Mexican or because they are Black or white or LGBTQ. I refuse to hate someone because they are a police officer. I refuse to hate someone because they are Asian. I would hope that we would refuse hate. I want to take this Jean Hersholt Humanitarian Award and dedicate it to anyone who wants to stand in the middle, no matter what's around the wall standing in the middle because that's where healing happens. That's where conversation happens. That's where change happens. It happens in the middle. So

anyone who wants to meet me in the middle to refuse hate, to refuse blanket judgment, and to help lift someone's feet off the ground, this one is for you to god bless you and thank you." – Tyler Perry

"The poem... is a little myth of man's capacity of making life meaningful. And in the end, the poem is not a thing we see — it is, rather, a light by which we may see — and what we see is life." – Robert Penn Warren

"Art resides in the quality of doing, process is not magic." – Charles Eames

"I've been called many names like perfectionist, difficult and obsessive. I think it takes obsession, takes searching for the details for any artist to be good." – Barbra Streisand

"We must not allow other people's limited perceptions to define us." – Virginia Satir

"It isn't where you came from, its where you're going that counts." – Ella Fitzgerald

"Just because your voice reaches halfway around the world doesn't mean you are wiser than when it reached only to the end of the bar." – Edward R. Murrow

"Television has done much for psychiatry by spreading information about it, as well as contributing to the need for it." – Alfred Hitchcock

**TIP from SBA:** “As the SBA works on building the application platform, it would be in your best interest to register for a DUNS number and then register in the System for Award Management (SAM.gov). Also, gather documents that demonstrate your number of employees and monthly revenues so you can calculate the average number of qualifying employees you had over the prior 12 months. Lastly, determine the extent of gross earned revenue loss you experienced between 2019 and 2020. This and additional information such as floor plans, contract copies and other evidence will be needed to apply for an SVOG.”
