QUOTE(S) OF THE DAY

"Art is parasitic on life, just as criticism is parasitic on art." – Harry S Truman

"Seize the moment of excited curiosity on any subject to solve your doubts; for if you let it pass, the desire may never return, and you may remain in ignorance." – William Wirt

"To resist the frigidity of old age one must combine the body, the mind and the heart --- and to keep them in parallel vigor one must exercise, study and love." – Karl von Bonstetten

"Develop interest in life as you see it; in people, things, literature, music --- the world is so rich, simply throbbing with rich treasures, beautiful souls and interesting people. Forget yourself." – Henry Miller

"Some stories don't have a clear beginning, middle, and end. Life is about not knowing, having to change, taking the moment and making the best of it, without knowing what's going to happen next." – Gilda Radner
