QUOTE(S) OF THE DAY

"Not everybody trusts paintings but people believe photographs." – Ansel Adams

"Artists - musicians, painters, writers, poets - always seem to have had the most accurate perception of what is really going on around them, not the official version or the popular perception of contemporary life." – Billy Joel

"Sometimes, the linear use of everyday conversation cannot be used to get across the same message. And that is when we turn to the paintbrush or the pen, or the potter's wheel, or the camera, or the canvas. We tell our stories, our ideas in a different way, through writing about a character's actions; through the movement of light; through a visual pattern; through a sculpture." - Jane Chu

"Memory is the first casualty of middle age, if I remember correctly." – Candice Bergen

"I'm spending a year dead for tax reasons." – Douglas Adams
