Do you want people throughout Wisconsin to know about your upcoming arts events or opportunities? Then enter your calendar information on Portalwisconsin.org.

Portalwisconsin.org is an online resource, to search, schedule, and discover Wisconsin's arts, culture, humanities, and history. The site features a calendar, searchable options by interest area and geographic regions, digital media, classes, chats, and monthly highlights.

Agencies interested in posting information should go to

www.portalwisconsin.org/participate.cfm

Portalwisconsin.org is a collaborative effort of the Cultural Coalition of Wisconsin: Wisconsin Academy of Sciences, Arts, and Letters, Wisconsin Arts Board, Wisconsin Historical Society, Wisconsin Humanities Council, Wisconsin Public Radio, Wisconsin Public Television, and the University of Wisconsin. Major funding is provided by the Future Fund of the Corporation for Public Broadcasting and the National Endowment for the Arts, with additional funding from University of Wisconsin-Extension Cross Divisional Program Innovation Fund.

The Wisconsin Arts News is a free service of the Wisconsin Arts Board, the state agency responsible for the support and development of the arts in Wisconsin, on the web at www.artsboard.wisconsin.gov. These articles are from a variety of sources and, therefore, do not necessarily reflect the views of the Arts Board.

Despite our best efforts, links may fail without warning since each news source posts and archives its articles differently. We apologize for any inconvenience.

Artists, as well as arts and community organizations interested in posting event information on the web should go to www.portalwisconsin.org. This growing resource, which is separate from the Wisconsin Arts News, is an additional means of getting your information in front of people interested in the arts and culture in Wisconsin.
