### **QUOTE OF THE DAY**

"Remember upon the conduct of each depends the fate of all." – Alexander the Great

"People have often asked me, "If you weren't in show business, what would you be doing?" The truth is, I don't think there's anything else I could be doing, so the answer would have to be, nothing. Then again, there's nothing I love more than making people laugh, so I guess you could say I'm in the only business I could be in. I was born to enjoy life and I've always wanted everyone to enjoy it along with me." – Tim Conway

"My view is this: We teach nothing. We do not teach physics nor do we teach students. (I take physics merely as an example.) What is the same thing: No one is taught anything! Here lies the folly of this business. We try to teach somebody nothing. This is a sorry endeavour for no one can be taught a thing. What we do, if we are successful, is to stir interest in the matter at hand, awaken enthusiasm for it, arouse a curiosity, kindle a feeling, fire up the imagination. To my own teachers who handled me in this way, I owe a great and lasting debt." – Julius Sumner Miller

"I had a stick of Carefree gum, but it didn't work. I felt pretty good while I was blowing that bubble, but as soon as the gum lost its flavor, I was back to pondering my mortality." – Mitch Hedberg
