### **QUOTE OF THE DAY**

"The present is the ever moving shadow that divides yesterday from tomorrow. In that lies hope." – Frank Lloyd Wright

"Life appears to me too short to be spent in nursing animosity or registering wrongs." – Charlotte Bronte

"Every generation of humans believed it had all the answers it needed, except for a few mysteries they assumed would be solved at any moment. And they all believed their ancestors were simplistic and deluded. What are the odds that you are the first generation of humans who will understand reality?" – Scott Adams

"History does not always repeat itself. Sometimes it just yells, "Can't you remember anything I told you?" and lets fly with a club." – John W. Campbell

"The world isn't fair, but as long as it's tilting in my direction I find that there's a natural cap to my righteous indignation." – Scott Adams
