### **QUOTE(S) OF THE DAY**

"Music is the pleasure the human mind experiences from counting without being aware that it is counting." – Gottfried Leibniz

"The world is so empty if one thinks only of mountains, rivers and cities; but to know someone here and there who thinks and feels with us, and though distant, is close to us in spirit --- this makes the earth for us an inhabited garden." – Johann von Goethe

"Never interrupt someone doing what you said couldn't be done." – Amelia Earhart

"Truth often suffers more by the heat of its defenders than the arguments of its opposers." – William Penn

"Pianists don't argue too much generally because we have such a hard time just getting things right; arguing is for string players." – Emanuel Ax
