QUOTE OF THE DAY

“Nobody’s free until everybody’s free.” – Fannie Lou Hamer

“Juneteenth has never been a celebration of victory or an acceptance of the way things are. It’s a celebration of progress. It’s an affirmation that despite the most painful parts of our history, change is possible—and there is still so much work to do.” – Barack Obama

“Interpretation is the revenge of the intellectual upon art.” – Susan Sontag

“Irresponsibility is part of the pleasure of all art; it is the part the schools cannot recognize.” – Pauline Kael

“I do not envy people who think they have a complete explanation of the world, for the simple reason that they are obviously wrong.” – Salman Rushdie
