### **QUOTE OF THE DAY**

Entertainment and art are not isolated." – Martin Kippenberger

"The most beautiful thing we can experience is the mysterious. It is the source of all true art and all science. He to whom this emotion is a stranger, who can no longer pause to wonder and stand rapt in awe, is as good as dead: his eyes are closed." – Albert Einstein

"No kind action ever stops with itself. One kind action leads to another. Good example is followed. A single act of kindness throws out roots in all directions, and the roots spring up and make new trees. The greatest work that kindness does to others is that it makes them kind themselves." – Amelia Earhart

"A person who doubts himself is like a man who would enlist in the ranks of his enemies and bear arms against himself. He makes his failure certain by himself being the first person to be convinced of it." – Alexandre Dumas

"Consistency is the last refuge of the unimaginative." – Oscar Wilde

"Blessed is the man, who having nothing to say, abstains from giving wordy evidence of the fact." – George Eliot
