QUOTE OF THE DAY

"All art is autobiographical. The pearl is the oyster's autobiography." – Federico Fellini

"Visual imagery has the ability to transcend boundaries imposed by language. An image doesn't need a language to get the message across. The image speaks for itself." – [Sandesh Kadur](#), Documentary filmmaker and Nat Geo Explorer

"The great thing about art on any level is that it can speak to all people if it's achieved properly. When I've heard a piece of music or seen a painting that moves me, it gives me something. That's such an incredibly special experience. I have intentions as a writer, but people — when they're listening to a track — will take from it what they interpret. Sometimes people mishear my lyrics and think a song's about something it isn't. That doesn't matter. If it speaks to them and they get something positive from it, it's great." – Kate Bush

"I have dreamed in my life, dreams that have stayed with me ever after, and changed my ideas; they have gone through and through me, like wine through water, and altered the color of my mind." – Emily Bronte

"Of all the preposterous assumptions of humanity over humanity, nothing exceeds most of the criticisms made on the habits of the poor by the well-housed, well-warmed, and well-fed." – Herman Melville

"A portrait is a painting with something wrong with the mouth." – John Singer Sargent
