### **QUOTE OF THE DAY**

"Sometimes even to live is an act of courage." – Seneca

"To make us feel small in the right way is a function of art; men can only make us feel small in the wrong way." – E. M. Forster

"Poetry lifts the veil from the hidden beauty of the world, and makes familiar objects be as if they were not familiar." – Percy Bysshe Shelley

"I believe deeply that we cannot solve the challenges of our time unless we solve them together — unless we perfect our union by understanding that we may have different stories, but we hold common hopes; that we may not look the same and we may not have come from the same place, but we all want to move in the same direction — towards a better future for of children and our grandchildren." – Barack Obama

"It is absurd to divide people into good and bad. People are either charming or tedious." – Oscar Wilde

"When is my phone going to learn that I never, ever meant to write 'ducked up'?" - Olivia Wilde
