### **QUOTE OF THE DAY**

"Art is an investigation." – Twyla Tharp

"The past is our definition. We may strive with good reason to escape it, or to escape what is bad in it. But we will escape it only by adding something better to it." – Wendell Berry

"I have said repeatedly that as poetry is the highest speech of man, it can not only accept and contain, but in the end express best everything in the world, or in himself, that he discovers. It will absorb and transmute, as it always has done, and glorify, all that we can know. This has always been, and always will be, poetry's office." – Conrad Aiken

"Those works of art which have scooped up the truth and presented it to us as a living force — they take hold of us, compel us, and nobody ever, not even in ages to come, will appear to refute them." – Aleksandr Solzhenitsyn

"Always make the audience suffer as much as possible." – Alfred Hitchcock
