### **QUOTE OF THE DAY**

“Art is Art. Everything else is everything else.” – Ad Reinhardt

“Three things in human life are important. The first is to be kind. The second is to be kind. And the third is to be kind.” – Henry James

“A first grader should understand that his or her culture isn’t a rational invention; that there are thousands of other cultures and they all work pretty well; that all cultures function on faith rather than truth; that there are lots of alternatives to our own society. Cultural relativity is defensible and attractive. It’s also a source of hope. It means we don’t have to continue this way if we don’t like it.” – Kurt Vonnegut

“I’m sure we all agree that we ought to love one another, and I know there are people in the world who do not love their fellow human beings — and I hate people like that!” – Tom Lehrer

“The monuments of wit survive the monuments of power.” – Francis Bacon

“My mom used to say that Greek Easter was later because then you get stuff cheaper.” – Amy Sedaris
