QUOTE OF THE DAY

“What is freedom of expression? Without the freedom to offend, it ceases to exist.” – Salman Rushdie

"Man's mind stretched to a new idea never goes back to its original dimensions." – Oliver Wendell Holmes

"It has always seemed strange to me that in our endless discussions about education so little stress is laid on the pleasure of becoming an educated person, the enormous interest it adds to life. To be able to be caught up into the world of thought – that is to be educated." – Edith Hamilton

"You can't do anything about the length of your life, but you can do something about its width and depth." – Evan Esar

“I am who I am, I am what I am, I do what I do and I ain’t never gonna do it any different. I don't care who likes it and who don't.” – Buck Owens

"I loathe people who keep dogs. They are cowards who haven’t got the guts to bite people themselves." – August Strindberg
