QUOTE(S) OF THE DAY

"So vast is art, so narrow human wit." – Alexander Pope

"If you listen to a lot of the songs that are popular now, there's very little melody in there. People love the beat. But to musicians, it's melody, because we understand how elusive it is and how hard it is to hold." – Branford Marsalis

"My ultimate vocation in life is to be an irritant, someone who disrupts the daily drag of life just enough to leave the victim thinking there's maybe more to it all than the mere hum-drum quality of existence." – Elvis Costello

"Being inoffensive, and being offended, are now the twin addictions of the culture." – Martin Amis

"I don't have a bank account because I don't know my mother's maiden name." – Paula Poundstone
