QUOTE(S) OF THE DAY

"Every child dances, and then you learn not to." – Mark Morris

"You've got to learn your instrument. Then, you practice, practice, practice. And then, when you finally get up there on the bandstand, forget all that and just wail." – Charlie Parker

"Poets are never young, in one sense. Their delicate ear hears the far-off whispers of eternity, which coarser souls must travel towards for scores of years before their dull sense is touched by them. A moment's insight is sometimes worth a life's experience." – Oliver Wendell Holmes, Sr.

"Allow the artist to finish the piece of work before you critique it." – Meshell Ndegeocello

"I think the most important thing is to keep active and to hope that your mind stays active." – Jane Goodall

"You can't go around the theatres handing out cards saying, 'It isn't my fault'. You go onto the next one." – Preston Sturges

"Teaching a child not to step on a caterpillar is as valuable to the child as it is to the caterpillar." – Bradley Millar

"Our incomes are like our shoes; if too small, they gall and pinch us; but if too large, they cause us to stumble and to trip." – John Locke
