### **QUOTE OF THE DAY**

"What I want in my life is to be willing to be dazzled — to cast aside the weight of facts and maybe even to float a little above this difficult world." – Mary Oliver

"Silence is perfect. So you want to try and raise whatever you're doing to that level." – [Roscoe Mitchell](#)

"Better to write for yourself and have no public, than to write for the public and have no self." – Cyril Connolly

"I strongly reject any conceptual scheme that places our options on a line, and holds that the only alternative to a pair of extreme positions lies somewhere between them. More fruitful perspectives often require that we step off the line to a site outside the dichotomy." – Stephen Jay Gould

"The most rewarding things you do in life are often the ones that look like they cannot be done." – Arnold Palmer

"Cleaning your house while your kids are still growing up is like shoveling the walk before it stops snowing." – Phyllis Diller
