### **QUOTE OF THE DAY**

"The battles that count aren't the ones for gold medals. The struggles within yourself — the invisible, inevitable battles inside all of us — that's where it's at." — Jesse Owens

"Shakespeare was a man who wrote poetry. I'm a man who writes poetry. Why not compare yourself to the best?" — Jay-Z

"What I tell my students, when they feel singularly unfortunate to be born in this moment, is this is your moment, the moment your soul showed up incarnate. In this world. It is an astonishing moment to be alive. You could have been born into a lull — instead you were born into a tipping point. It's your one life and you've entered it at a flexion point — a point when everything you do matters. How often in history does a soul get to live in such an era? Don't waste it. Show up for it." — Jorie Graham

"It is fortunate that each generation does not comprehend its own ignorance. We are thus enabled to call our ancestors barbarous." — Charles Dudley Warner

"The longer I live the more beautiful life becomes." — Frank Lloyd Wright
