### **QUOTE OF THE DAY**

"Delicious autumn! My very soul is wedded to it, and if I were a bird I would fly about the earth seeking the successive autumns." – George Eliot

"I was born with music inside me. Music was one of my parts. Like my ribs, my kidneys, my liver, my heart. Like my blood. It was a force already within me when I arrived on the scene. It was a necessity for me - like food or water." – Ray Charles

"My love of fine art increased - the more of it I saw, the more of it I wanted to see." – J. Paul Getty

"Talent is cheaper than table salt. What separates the talented individual from the successful one is a lot of hard work." – Stephen King

"Adapt or perish, now as ever, is nature's inexorable imperative." – H. G. Wells

The difference between school and life? In school, you're taught a lesson and then given a test. In life, you're given a test that teaches you a lesson." – Tom Bodett

"Economics is extremely useful as a form of employment for economists." – John Kenneth Galbraith
