QUOTE OF THE DAY

“Reality leaves a lot to the imagination.” – John Lennon

“Nothing makes me so happy as to observe nature and to paint what I see.” – Henri Rousseau

“For beautiful eyes, look for the good in others; for beautiful lips, speak only words of kindness; and for poise, walk with the knowledge that you are never alone.” – Audrey Hepburn

“Making a film is like raising a child. You cannot raise a child to be liked by everyone. You raise a child to excel, and you teach the child to be true to his own nature. There will be people who’ll dislike your child because he or she is who they are, and there will be people who’ll love your child immensely for the very same reason.” – Guillermo del Toro

"Politics is the art of looking for trouble, finding it everywhere, diagnosing it incorrectly and applying the wrong remedies." – Groucho Marx
