QUOTE OF THE DAY

“You are educated when you have the ability to listen to almost anything without losing your temper or self-confidence.” – Robert Frost

“We face the future fortified with the lessons we have learned from the past. It is today that we must create the world of the future. Spinoza, I think, pointed out that we ourselves can make experience valuable when, by imagination and reason, we turn it into foresight.” – Eleanor Roosevelt

“The good die young — but not always. The wicked prevail — but not consistently. I am confused by life, and I feel safe within the confines of the theatre. O’Neil’s dramas are slapstick farces, Albee’s riddles are simple explanations, Pinter’s threatening and threatened anti-heroes are innocent babes — next to life and the living. I cry out for order and find it only in art.” – Helen Hayes

“Life is like an ever-shifting kaleidoscope --- a slight change, and all patterns alter.” – Sharon Salzberg

“We learn something every day, and lots of times it's that what we learned the day before was wrong.” – Bill Vaughan
