QUOTE(S) OF THE DAY

"The good die young — but not always. The wicked prevail — but not consistently. I am confused by life, and I feel safe within the confines of the theatre. O'Neil's dramas are slapstick farces, Albee's riddles are simple explanations, Pinter's threatening and threatened anti-heroes are innocent babes — next to life and the living. I cry out for order and find it only in art." – Helen Hayes

"The past is what you remember, imagine you remember, convince yourself you remember, or pretend you remember." – Harold Pinter

"If we plant the right seeds, tomorrow will be better. If you put out good things, then you'll get good things back. That's part of our responsibility as entertainers." – Ben Vereen

"If only someone else could paint what I see, it would be marvelous, because then I wouldn't have to paint at all." – Alberto Giacometti

"I'm not conceited. Conceit is a fault and I have no faults." – David Lee Roth
