## **QUOTE OF THE DAY**

“Never doubt that a small group of thoughtful, committed citizens can change the world.” – Margaret Mead

“Without art we would be nothing but foreground and live entirely in the spell of that perspective which makes what is closest at hand and most vulgar appear as if it were vast, and reality itself.” – Friedrich Nietzsche

“The enemy of art is the absence of limitations.” – Orson Welles

“In all life one should comfort the afflicted, but verily, also, one should afflict the comfortable, and especially when they are comfortably, contentedly, even happily wrong.” – John Kenneth Galbraith

“Laziness is nothing more than the habit of resting before you get tired.” – Jules Renard
