There will be no *Wisconsin Arts News* next week as we will be participating in NASAA Assembly 2024, a biannual event of the National Assembly of State Arts Agencies.

QUOTE OF THE DAY

“The arts and sciences are avatars of human creativity. It’s our attempt to influence things, the universe internal to ourselves and external to us.” – Mae Jemison

“Love the art in yourself and not yourself in the art.” – Constantin Stanislavski

“It is good to have an end to journey towards, but it is the journey that matters in the end.” – Ursula K. Le Guin

“A book is the only place in which you can examine a fragile thought without breaking it, or explore an explosive idea without fear it will go off in your face. It is one of the few havens remaining where a man's mind can get both provocation and privacy.” – Edward P. Morgan

“One of the keys to happiness is a bad memory.” – Rita Mae Brown
