### **QUOTE(S) OF THE DAY**

"There are many professions in this world, that legitimately, if you have a disability, you might not be able to do. If I'm in a wheelchair, I might not ever be able to work construction on a high-rise building. If I'm blind, I might not ever be able to be a brain surgeon. But as artists, we create our own realities. We create the reality that we present before an audience. Since we create the rules, everything goes out the window, and disability can matter only as much as we want it to matter." – [Nicholas Viselli](#)

"Painting is easy when you don't know how, but very difficult when you do." – Edgar Degas

"A book is the only place in which you can examine a fragile thought without breaking it, or explore an explosive idea without fear it will go off in your face. It is one of the few havens remaining where a man's mind can get both provocation and privacy." – Edward P. Morgan

"We are all born ignorant, but one must work hard to remain stupid." – Benjamin Franklin

"Learning is finding out what you already know, Doing is demonstrating that you know it, Teaching is reminding others that they know it as well as you do. We are all learners, doers, and teachers." – Richard Bach

"One of the keys to happiness is a bad memory." – Rita Mae Brown

"What I look forward to is continued immaturity followed by death." – Dave Barry
