QUOTE OF THE DAY

"Silent gratitude isn't much use to anyone." – Gertrude Stein

"An art book is a museum without walls." – Andre Malraux

"I got my break — big break — when I was five years old. And it's taken me more than seventy years to realize it. You see, at five, I learned to read. It's that simple, and it's that profound. I left school at thirteen, I didn't have a formal education, and I believe I would not be standing here tonight, without the books, the plays — the scripts. It's been a long journey from Fountainbridge to this evening — with you all. Though my feet are tired, my heart is not." – Sean Connery

"Another belief of mine; that everyone else my age is an adult, whereas I am merely in disguise." – Margaret Atwood

"A man said to the universe: "Sir I exist!" "However," replied the universe, "The fact has not created in me a sense of obligation." – Stephen Crane
