QUOTE OF THE DAY

"All a poet can do today is warn. That is why the true Poets must be truthful." – Wilfred Owen

"Art attracts us only by what it reveals of our most secret self." – Alfred North Whitehead

"Once, Picasso was asked what his paintings meant. He said, "Do you ever know what the birds are singing? You don't. But you listen to them anyway." So, sometimes with art, it is important just to look." - Marina Abramovic

"A great book should leave you with many experiences, and slightly exhausted. You should live several lives while reading it." – William Styron

"Expect the best. Prepare for the worst. Capitalize on what comes." – Zig Ziglar

"You just do the best you can with what you've got... and sometimes magic strikes." – Sally Field

"There's no trick to being a humorist when you have the whole government working for you." – Will Rogers
