### **QUOTE(S) OF THE DAY**

"Imagination is the beginning of creation. You imagine what you desire, you will what you imagine and at last you create what you will." – George Bernard Shaw

"He who rejects change is the architect of decay. The only human institution which rejects progress is the cemetery." – Harold Wilson

"Whoever you are, there is some younger person who thinks you are perfect. There is some work that will never be done if you don't do it. There is someone who would miss you if you were gone. There is a place that you alone can fill." – Jacob M. Braude

"The Hollywood I know has allowed me opportunity after opportunity to keep doing new things and not send me out to pasture. I don't want to go to pasture. It's cold. I'm allergic to grass. And the cows are mean." - Sandra Bullock
