QUOTE OF THE DAY

"Nature scarcely ever gives us the very best; for that we must have recourse to art." – Baltasar Gracian

"A good painting to me has always been like a friend. It keeps me company, comforts and inspires." – Hedy Lamarr

"Books are not made for furniture, but there is nothing else that so beautifully furnishes a house." – Henry Ward Beecher

"The second fiddle. I can get plenty of first violinists, but to find someone who can play the second fiddle with enthusiasm --- that's a problem. And if we have no second fiddle, we have no harmony." – Leonard Bernstein

"History is full of people who out of fear, or ignorance, or lust for power have destroyed knowledge of immeasurable value which truly belongs to us all. We must not let it happen again." – Carl Sagan

"All generalizations are dangerous, even this one." – Alexandre Dumas
