### **QUOTE OF THE DAY**

"A hunch is creativity trying to tell you something." – Frank Capra

"We all – adults and children, writers and readers – have an obligation to daydream. We have an obligation to imagine. It is easy to pretend that nobody can change anything, that we are in a world in which society is huge and the individual is less than nothing: an atom in a wall, a grain of rice in a rice field. But the truth is, individuals change their world over and over, individuals make the future, and they do it by imagining that things can be different." – Neil Gaiman

"No; we have been as usual asking the wrong question. It does not matter a hoot what the mockingbird on the chimney is singing.... The real and proper question is: Why is it beautiful?" – Annie Dillard

"Life is a journey that must be traveled no matter how bad the roads and accommodations." – Oliver Goldsmith

"Honestly, if you're given the choice between Armageddon or tea, you don't say "what kind"" – Neil Gaiman
