### QUOTE OF THE DAY

"Life is a journey that must be traveled no matter how bad the roads and accommodations."  
– Oliver Goldsmith

"The voice of the majority is no proof of justice." – Friedrich Schiller

"The world doesn't have to be like this. Things can be different. ... Fiction can show you a different world. It can take you somewhere you've never been. Once you've visited other worlds, like those who ate fairy fruit, you can never be entirely content with the world that you grew up in. Discontent is a good thing: discontented people can modify and improve their worlds, leave them better, leave them different." – Neil Gaiman

"Everywhere I go I find a poet has been there before me." – Sigmund Freud

"Nobody can be exactly like me. Sometimes even I have trouble doing it." – Tallulah Bankhead
