### **QUOTE(S) OF THE DAY**

"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them." – John F. Kennedy

"The willingness with which our young people are likely to serve in any war, no matter how justified, shall be directly proportional to how they perceive the Veterans of earlier wars were treated and appreciated by their nation." – George Washington

"My heroes are those who risk their lives every day to protect our world and make it a better place—police, firefighters, and members of our armed forces." – Sidney Sheldon

"The popular songs that were written in the 1920s and '30s, '40s and early '50s were written by veterans - mostly men who'd had experience in life. How can you write a lyric if you haven't really lived life?" – Rudy Vallee

"My father had many, many veterans over to the house, and the older I got the more I appreciated their sacrifice." – Steven Spielberg

"Without heroes, we are all plain people, and don't know how far we can go." – Bernard Malamud
