The Wisconsin Arts News is a free service of the Wisconsin Arts Board, the state agency responsible for the support and development of the arts in Wisconsin, on the web at www.artsboard.wisconsin.gov. These articles are from a variety of sources and, therefore, do not necessarily reflect the views of the Arts Board.

Despite our best efforts, links may fail without warning since each news source posts and archives its articles differently. We apologize for any inconvenience.

Artists, as well as arts and community organizations interested in posting event information on the web should go to www.portalwisconsin.org. This growing resource, which is separate from the Wisconsin Arts News, is an additional means of getting your information in front of people interested in the arts and culture in Wisconsin.
